

Leila Nemati-Anaraki
Medical Library and Information Science

Nematianaraki.l@iums.ac.ir

Phone number: +(98) (21) 88780736 Ext:

Education:

Bachelor: Medical Library and Information Science

Master: Library and Information Science

Ph.D.: Library and Information Science

Specialty/ Specialties:

Medical Library and Information Science

Health Knowledge Management

Languages:

- Persian
 - English
 - French
-

Research Interests:

- Knowledge management/ Knowledge sharing/ Knowledge Translation/ Knowledge Networks
 - Information literacy
 - Digital libraries/resources
 - Information and communication technology/ Information Management
 - Research Metrics/ Scientometrics / Informetrics / Altmetrics
 - Scholarly Communications/ Communities of Practice
 - Distance education/ E-learning/ Virtual/Augmented reality in health science/
 - Medical Informatics/ Digital Health
 - Research evaluation/ Research Metrics
 - Open Science and Team Science/ Open Data
-

Executive authorities:

- Assistant dean for education, School of Health Management and Medical Information Sciences, Iran University of Medical Sciences
 - Secretary and Member of the Board of the Medical Library and Information Science
 - Secretary and Member of the Board of the Iranian Library and Medical Information Association (Elected Candidate)
 - Manager (Office Coordinator), Education and Development Office (EDO), School of Health Management and Information Sciences Iran University of Medical Sciences (IUMS)
 - Head, Central Library and Information Center
 - Director, Research Evaluation and Scientometrics Office, and publication Center
-

Achievements:

- 2005-2007, Top student in several MA courses
- 2007, Top grad student in LIS, Tehran North Branch, IAU
- 2007-2012, Top PhD student in LIS, Science and Research Branch, IAU
- 2011-2012, Active member, Young Researchers and Elites Club, IAU
- 2014, Top Young woman manager in IUMS
- 2018, Implementing First Medical Library Intelligence in Iran
- 2019, Sincere efforts as Manager of Medical Information and Scientific Resources of the Iran University of Medical Sciences
- 2020, Recognized and A worthy professional professor in the field of research in education in the educational festival (Professor Vosough)
- 2020, Top Instructor in collaboration and supervision of virtual content creation in the Festival of students' Electronic Content Creation during Coronavirus Pandemic, 2020
- 2021, A recognized supervisor in the Research and Technology Festival of the National Library and Archives of the Islamic Republic of Iran for submitting an innovative idea extracted from MA thesis
- 2021, Top Idea Generator in the First National Event on Medical Education Technology Marathon Techaton (Technology Hechaton)
- 2022, Top Director of Education Development Office (EDO) in the 7th Vosough Academic festival of and selection of the best figures in the field of education-Grant based award, 2022
- 2022-2023, ASIS&T ME Chapter Free Membership Award Nominations
